

# ACTIVITIES AVAILABLE

## INTRODUCTION

Appropriate activity selection, resourceful planning and innovative teaching are the keys to maximising your camp outcomes. Corresponding pre and post related activities will also extend the students' camp experience far beyond their stay with the Farm Campus. Individual school programs can be created to meet the students' current and future needs. Activities within these programs are designed to compliment school based curriculum outcomes.

## TEAM BUILDING CHALLENGE

Test your leadership skills with a range of teambuilding and low ropes challenges. Think outside the square to solve problems and earn team points. Experience the importance and enjoyment of working as a team. These challenges will test personal boundaries and problem solving abilities.

## CURRUMBIN ROCK POOLS SWIM

Cool off with a refreshing swim in the large freshwater rock pools located only 100m from the Farm Campus. Continually flowing waterfalls and rainforest surroundings add to the pristine experience.

## RSPCA – ALL CREATURES GREAT AND SMALL

Utilise the experience of our RSPCA education officer during a session on animal care and pet responsibility. Explore the farm site and discover the importance of the smaller hidden creatures.

## LIFE ON THE FARM

Get up close and personal with the large variety of farm animals. Prepare food and attend to their daily needs. Visit the junior animal yard and the chicken incubator shed for your chance to check out the newest members from our animal nursery.

## WATER WATCH

Examine our local catchment model to investigate the influence of pollution on waterways. Participate in a hands on water filtration challenge. Explore the Farm's rainforest creek with nets and buckets to assess the creek's water quality.

## SITE NAVIGATION / ORIENTEERING

Have fun using a map or compass to navigate around the Farm Campus collecting valuable clues, enabling you to problem solve and familiarise yourself with the surroundings.

## ARCHERY

Load! Aim! Fire! BULLSEYE! Compete with the best of them. Test your skill and accuracy. Hit the target, burst the balloons and total your points to be the winner. Can you hit the bullseye to be the next Robin Hood?

## CIRCUS ARTS

Ever been told you're a clown? This is your opportunity to prove it. Learn and develop skills based on juggling, plate spinning, diabolo and fire sticks. After your performance at the end of the session, it might just be time to join the circus.

## COUGAL CASCADES BUSH WALK

Walk through the rainforest of Cougal Mountains, Springbrook National Park. Enjoy the spectacular surroundings and investigate the water quality of the Currumbin catchment. Discover ancient tribal legends and visit the historic sawmill. "Take only photos and leave only footprints".

## NIGHT ACTIVITIES (organised by visiting staff)

A night of action packed activities designed by visiting teachers. Activities may include games, talent quest, dancing, quiz mania or a creatures spotlight walk. High energy with lots of movement, jumping, weaving and dodging or a silent stroll to find what's hiding in the dark.

## MOVIE NIGHT (organised by visiting staff)

Grab a pillow and find a space for movie night. Heated room, big screen and surround sound makes it just like the movies. Kick back, relax and enjoy the latest flicks.

## CURRUMBIN WILDLIFE SANCTUARY – TWILIGHT TOUR / DINNER

Tour the Currumbin Wildlife Sanctuary on dusk (4.00pm – 7.30pm) beginning with lorikeet feeding and meeting your guide for a customised animal "Pat and Chat Encounter". Feed the kangaroos. Visit crocodile wetlands and the Tasmanian devil enclosure. Explore the subtropical rainforest and koala exhibit. Visit Naturally Wild and see venomous snakes and diverse marsupials. Dinner is included in this program.

Entry - \$17.00      Dinner - \$10.00 (\$5.85 reduced from camp catering prices)  
Bus - \$8.00

## ALTERNATIVES (extra costs)

### **SCIENCE CAMP / SHOW / WORKSHOPS GRIFFITH UNIVERSITY – SCIENCE ON THE GO!**

Hooked on science? Immerse yourself in a science focused theme camp. Alternatively, incorporate a dynamic and highly engaging science show reinforced by an interactive workshop into your camp program. Curriculum content includes investigating science, sound, water all around, matter and pressure and forensic science.

Science Camp – \$26.45

Show / Workshop – \$7.50

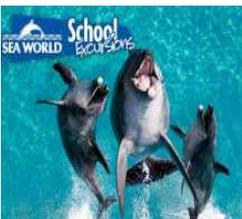

### **CURRUMBIN WILDLIFE SANCTUARY – DAY VISIT**

With more than 1,400 native Australian animals on display in natural bushland and rainforest settings, Currumbin Wildlife Sanctuary provides a rare opportunity to get closer to our amazing native wildlife. Engage in a customised pat and chat encounter with expert presenters, featuring live animals including lizards, snakes, birds and mammals.

Entry – \$9.00

Bus – \$8.00

### **SEAWORLD**

Spend a full day at the theme park, enjoying the animal presentations, displays, rides and attractions. Attend a presentation with a marine expert promoting greater knowledge and understanding of the aquatic environment and endorsing the conservation and protection of its unique qualities for the future.

Entry – \$21.50

Bus – \$8.00
